

UNIVERSITY OF MALTA  
FACULTY OF THEOLOGY

JANUARY 2006 SESSION OF ASSESSMENTS

**MRT3330 Politics, Economics and Theology Fri 27 Jan 2004**  
**Test Paper on Economics and Theology**

**11.45 – 12.45**

**To choose ONE question:**

1. Economic restructuring has an ethical aspect which can only be captured through an adequate understanding of moral responsibility. Discuss.
2. How would you explain good and right business taking into account the Christian vision of life?
3. Economic activity is a process involving production, distribution and consumption of goods and services. Discuss some of the more relevant ethical issues in connection with any one of these three phases of the economic process.
