Wednesday, 30<sup>th</sup> May 2007

Rev. Dr. Frank Borg OP

6.00 pm - 8.00 pm

Answer only TWO Questions

1. What are the characteristics of the liturgical language? Discuss also some elements that may be open to liturgical adaptation (music and singing; gestures and posture; popular devotions).
2. What is the nature of the Liturgy? Show how the liturgical reform promoted by Vatican Council II restored the active participation of the assembly in the Church's worship.
3. Explain the significance of the different roles and ministers within the liturgical assembly during mass or during the celebration of any other sacrament.
4. Describe how the Liturgical Books of the Roman rite came into existence.
